_____	---	_____	_____	_____
_____	---	_____	_____	_____
_____	---	_____	_____	_____

Terms and Conditions:

1. All IBC's must be empty.
 - a. No more than 1/2" (one-half inch, approximately 3 gallons) of non-regulated material in an IBC. A disposal fee of \$6.00 per gallon for non-regulated material will be charged for any material over 1/2". All IBC's/Totes must have product label on them for the last material contained.
 - b. Regulated material must comply with 40 CFR 261.7. If an IBC contains a regulated material it may not have more than 0.3% of the IBC's total capacity by weight of residue remaining (approximately one (1) gallon). A disposal fee of \$9.00 per gallon for any regulated material left in IBC. All IBC's/Totes must have product label on them for the last material contained.
2. If there is any excessive residue you will be contacted.
 - a. We reserve the right to reject any IBC that does not meet the requirements in #1 above.
 - b. Emptier will pay all return freight charges and all incoming freight charges.
 - c. We can provide a product disposal cost for certain products instead of rejecting the IBC.
3. There is a minimum requirement of four (4) IBCs and a maximum of ten (10) IBC's per shipment.
4. All above information must be printed, complete and signed below before any pick up can be arranged.
5. MSDS's will be required for all chemicals.
6. Faxes received after 4:00 p.m. will be processed the next business day.
7. Please allow 5-6 working days for carrier to pick up IBC's.
8. Sign and date agreement to these Terms and Conditions, then fax that signed copy to 216-361-8956.
9. A Bill of Lading (BOL) can be furnished to you by K. P. McNamara. You are responsible for checking the accuracy of and completing any required DOT information on the bill of lading (BOL). Contact K.P. McNamara Co. with any questions regarding the bill of lading.
10. You must provide placards to the carrier if you have DOT regulated materials.
